DESIGN CAPABILITIES

- ✓ **Team of well qualified & experienced Design Engineers**
- ✓ **Experience in working on Solid Works, Pro-E & Auto Cad**
- ✓ **External design support also available locally at a short notice**
- ✓ **Expertise in reverse engineering available in house for product & tooling design**

MANUFACTURING
INDUSTRY

TRANSPORTATION
AND DISTRIBUTION

LOREM LOREM IPSUM DOLOR SIT AMET.

TOOLING MANUFACTURING CAPABILITIES

- ✓ Well-equipped in-house tool room Available Machines Surface Grinder, Lathe, M1TR & EDM. Next Planned CNC Wire Cut & VMC.
- ✓ Team of peoples, highly skilled and experienced in tooling ,Fixtures, Gauges manufacturing
- ✓ Height Gauge With Surface Plate, Digital Vernier, Digital Micrometer available for tooling inspection

INPUT / RAW MATERIAL

LOREM LOREM IPSUM DOLOR SIT AMET.
CONSECTETUER ADIPISCING ELIT.

01

ELABORATION OR
MANUFACTURE
OF THE PRODUCT

LOREM LOREM IPSUM DOLOR SIT AMET.
CONSECTETUER ADIPISCING ELIT.

02

QUALITY CONTROL AND
PRODUCTION EVALUATION

LOREM LOREM IPSUM DOLOR SIT AMET.
CONSECTETUER ADIPISCING ELIT.

03

QUALITY CONTROL CAPABILITIES

✓ Team : Well Trained Quality Engineers

✓ Inspection equipped with following instruments:

- Digital Height Gauge
- Digital Vernier Caliper
- Surface Plate
- Bevel Protector
- Degree Protector
- Radius Gauge
- Pitch Gauge
- Digital Micrometer

LOGISTICS CAPABILITIES

- ✓ **Dedicated own transport fleet for domestic customers with in one day travel time.**
- ✓ **Contracted transport for domestic customers beyond one day time.**

Injection Moulding Machine made of ELECTRONICA

OUR VALUED CUSTOMERS

**AUTO-
LEK**

WHY CHOOSE STARK AUTOPLAST INDUSTRY?

- ✓ Lower Component Cost
- ✓ Lower Development Cost
- ✓ Lower Development Lead Times
- ✓ Matched Delivery and Quality requirements
- ✓ Flexible for Low Volume Production keeping cost levels low

FUTURE PLANS

- ✓ **Expansion in clamps business for CNC Wirecut, VMC, 5 Horizontal Injection Moulding Machine of 120 ton to 300 ton**
- ✓ **Increase business scope for more Plastic Auto Components.**
- ✓ **Infrastructural Development (Vacant Land area of 15000 Sq. ft. available for expansion)**

THANK YOU!

Stark AutoPlast Industry

**Plot No. 23/2, Gali No. 2, Badkhal-Pali Road, Village Bazri, Faridabad,
Haryana, 121004**
